

Welcome to Riedl's Genusswelt & WF-Stub'n

In the heart of the Waldviertel, we combine traditional cuisine with modern ideas – honest, regional, and prepared with great attention to detail.

For us, it's not only about good food, but also about taking time: for a shared breakfast, a relaxed lunch, or a long evening with family and friends.

Just as important to us is how you feel while you're here.

Warm hospitality, a welcoming atmosphere and a relaxed environment are just as essential as good food – uncomplicated, personal, and always served with a smile.

We cook the way we love to eat ourselves – using high-quality ingredients, sourced from the region whenever possible, seasonal and with an ambition that goes beyond the ordinary.

We're happy you're spending this time with us.

Our ingredients come – whenever possible – from the region.

We work with selected local producers from the Waldviertel and place great importance on quality and seasonality.
